

25 receive tricycles

TRIBUNE NEWS SERVICE

CHANDIGARH, MARCH 23

Tricycles and wheelchairs were distributed among 25 differently abled persons at a camp during a national workshop on disability through the lens of art and culture organised by the Society for Disability and Rehabilitation Studies in Sector 26.

A souvenir was also released on the day. Experts said the motive behind providing these devices to the differently abled was to facilitate their physical mobility and routine activities.

Professor and head, department of rural development, NITTTR, Chandigarh, Dr JS Saini said the
